ADVANTAGE

Our guarantees protect you. They are in addition to all other rights you have under law. We never attempt to either diminish or reduce your rights.

YOUR RIGHT TO CHANGE YOUR MIND

If you're not happy with your purchase or simply change your mind, return it within 14 days in 'as new' condition (with packaging and accessories), and you can swap it for something else or get a full refund. (Excludes personal hygiene and grooming products, headphones games, DVDs and software).

BEST VALUE PROMISED

If our advertised price looks to be more than that offered by a competitor then, please ask us "What is included in your price?" so you can fairly compare our offer with others. We have much more to offer than just a great price.

OUR PRICE PROMISE

If you buy, and within 14 days we reduce our price, then you are entitled to a refund. You have 30 days from the day you buy to claim a refund.

YOUR RIGHT TO THE BEST PRICE

If you buy from us and then find that you could have bought the same appliance elsewhere for less and received the same service, we will refund the difference. From the day you buy, we give you 2 weeks to check us out and claim any refund.

WE OFFER A VARIETY OF PAYMENT OPTIONS

Talk to our friendly staff about the best payment option to suit your needs.

WE PROVIDE A FULL DELIVERY SERVICE

We provide a full delivery service in the greater Wellington region.* We'll deliver your new appliance to your home.

If you wish, we can unpack it for you, pick up your trade-in appliance or dispose of your old appliance, and take away the packaging. We can phone you half an hour before arrival to let you know we're coming.

For large appliances we charge a low fixed fee of \$60, and \$12 on smaller appliances.

*Delivery Area: The greater Wellington region as far North as Levin in the West and Kaitoke in the East.

PUTTING IT RIGHT

We sell top quality brands, and offer additional peace of mind. We give you extra guarantees, which cover all service needed. Because we want to see you back again, if something isn't right, WE'LL PUT IT RIGHT.

And it is the putting right that counts.
